VEGETATION CLEARANCE, EARTHWORKS OR LAND DISTURBANCE FOR RESTORATION OF A NATURAL WETLAND

Within, or within 10m, of a natural wetland S38 (1) & (2)

Is the area for vegetation clearance, earthworks or land disturbance occurring across less than 500m² or 10% of the area of natural wetland, whichever is the smaller?

(This does not apply if the earthworks or land disturbance is for planting)

YES

Have you advised Council in writing of what you plan to do, using the online wetland works notification form?

This must be 10 working days prior to you undertaking the work

NO

STOP THE ACTIVITY

Speak to Council

YES

Council will review your plan to ensure it will not result in damage to the wetland. The plan may be accepted or be altered to ensure there is no damage to the wetland

NO

If the activity is not for the restoration of a natural wetland, the activity may be authorised through Resource Consent providing the natural wetland will not be harmed
