His All

Please find attached a link to the Olive Estate Village plan set as per recent discussions.

<https://www.dropbox.com/sh/14bafijzt6fpqwx/AACD2kCaq3DuhZDy-oBqTD4Ia?dl=0>

We have made a range of small iterations to the plans as a result of meetings with Dugald. These include changes to the proposed road for Fairrose Drive to comply with TDC standards. The changes can be seen highlighted on page 019.

If you have any questions or problems with the download, please let me know.

Hi Jennifer/Alastair

Dugald Ley has been liaising with Gary Clark on some traffic/roading issues which have been resolved as far as I can tell and have resulted in some fairly minor changes in the overall scheme of things.

As a result we have made some tweaks to the plans around the service entrance/carparking/Fairose Drive which are all internal to the development (i.e. don't affect neighbouring properties).

Luke will circulate a link to you and the TDC officers later today, and **Luke** can you please make brief notes to draw attention to the changes and which plans they can be seen on?

The next step is to please confirm we can proceed to a hearing and to set up the timeframes for evidence exchange etc.

The applicant's team will be addressing the changes as part of our overall statements of evidence. I am hoping the letter sent in with the plans is self-explanatory but if the TDC Reporting team need any further clarification on the changes please let me know and we can arrange to meet individually or as a team to facilitate that.

We look forward to your further advice after receiving the updated plans today.

Regards

Gary
