- 1.2 Where this Concession requires the Grantor to exercise a discretion or give any approval or provides for any other actions by the Grantor, then the Grantor must act reasonably and within a reasonable time. When a consent is required under this Concession such consent must not be unreasonably withheld.

#### **2. What is being authorised?**

- 2.1 The Concessionaire is only allowed to use the Easement Land for the Concession Activity.
- 2.2 The Concessionaire must not commence the Concession Activity until the Concessionaire has signed the Concession Document and returned one copy of this Document to the Grantor, as if it were a notice to be given under this Concession.

#### **3. How long is the Concession for - the Term?**

- 3.1 This Concession commences on the date specified in Item 4 of Schedule 1 and ends on the Final Expiry Date specified in Item 5 of Schedule 1.

#### **4. What are the fees and when are they to be paid?**

- 4.1 The Concessionaire must pay the Processing Fee (Item 13 of Schedule 1) to the Grantor in the manner directed by the Grantor. Except where the Grantor's written consent has been given, the Concessionaire cannot commence the Concession Activity until the Processing Fee has been paid.
- 4.2 The Concessionaire must pay to the Grantor in the manner directed by the Grantor the Concession Fee plus GST on the Concession Fee Payment Date specified in Items 6, and 7 of Schedule 1.
- 4.3 If the Concessionaire fails to make payment within 14 days of the Concession Fee Payment Date then the Concessionaire is to pay interest on the unpaid Concession Fee from the Concession Fee Payment Date until the date of payment at the Penalty Interest Rate specified in Item 8 of Schedule 1.

#### **5. When can the fee be reviewed?**

- 5.1 The Grantor is to review the Concession Fee on the Concession Fee Review Date in Item 9 of Schedule 1 in the following manner:

- (a) The Grantor must commence the review not earlier than 3 months before a Concession Fee Review Date and no later than 9 months following the Concession Fee Review Date by giving notice to the Concessionaire.
  - (b) Subject to clause 5.1(e) the notice must specify the Concession Fee which the Grantor considers to be the market value for the Concession Activity as at the Concession Fee Review Date having regard to the matters specified in section 17Y(2) of the Conservation Act 1987.
  - (c) If, within 28 days of receipt of the Grantor's notice, the Concessionaire gives notice to the Grantor that the Concessionaire disputes the proposed new Concession Fee the new Concession Fee is to be determined in accordance with clause 5.2.
  - (d) If the Concessionaire does not give notice to the Grantor under clause 5.1(c) the Concessionaire is to be deemed to have accepted the Concession Fee specified in the Grantor's notice.
  - (e) Notwithstanding clause 5.1(b) the new Concession Fee so determined or accepted must not be less than the Concession Fee payable during the year preceding the particular Concession Fee Review Date and is to be the Concession Fee payable by the Concessionaire from the Concession Fee Review Date.
  - (f) Until determination of the new Concession Fee, the Concession Fee payable by the Concessionaire from the Concession Fee Review Date is to be the Concession Fee specified in the Grantor's notice. On determination of the new Concession Fee in accordance with clause 5.2 an adjustment is to be made and paid, either by the Grantor or by the Concessionaire, whichever is applicable.
- 5.2 Immediately the Concessionaire gives notice to the Grantor under clause 5.1(c) the parties are to endeavour to agree on a new Concession Fee. If the parties are unable to reach agreement within 28 days the new Concession Fee is to be determined either:

  - (b) by registered valuers acting as experts and not as arbitrators as follows:
    - (i) Each party must appoint a valuer and give notice of the appointment to the other party within 14 days of the parties agreeing to determine the new Concession Fee by this means.
    - (ii) If the party receiving a notice does not appoint a valuer within the 14 day period the valuer appointed by the other party is to determine the new Concession Fee and that valuer's determination is to be binding on both parties.
    - (iii) Before commencing their determination the respective valuers must appoint an umpire who need not be a registered valuer.
    - (iv) The valuers are to determine the new Concession Fee which they consider to be the market value for the Concession Activity as at the Concession Fee Review Date having regard to the matters specified in section 17Y(2) of the Conservation

Act 1987 but in no case is the new Concession Fee to be less than the Concession Fee payable during the year preceding the particular Concession Fee Review Date. If the valuers fail to agree, the Concession Fee is to be determined by the umpire.

- (v) In determining the Concession Fee the valuers or umpire are to disregard the annual cost to the Concessionaire to maintain or provide access to the Easement Land.

- (c) The valuers or umpire must give written notice to the parties once they have determined the new Concession Fee. The notice is to be binding on the parties and is to provide how the costs of the determination are to be borne.
- (d) If a Concession Fee Review Date is postponed because of a moratorium imposed by law the Concession Fee Review is to take place at the date the moratorium is lifted or so soon afterwards as is practicable and the following applies:
- (i) the Concession Fee Review is to establish the market value for the Concession Activity as at that date instead of the date fixed under clause 5.1 having regard to the matters specified in section 17Y(2) of the Conservation Act 1987 but in no case is the new Concession Fee to be less than the Concession Fee payable during the year preceding the particular Concession Fee Review Date; and
  - (ii) each subsequent Concession Fee Review is to take place in accordance with the procedure fixed in clause 5.1.

**6. Are there any other charges?**

- 6.1 The Concessionaire must pay all levies rates and other charges, including utility charges payable in respect of the Easement Land or for the services provided to the Easement Land which relate to the Concessionaire's use of the Easement Land or the carrying on of the Concession Activity.
- 6.2 The Grantor is not liable for any cost incurred in re-establishing the supply of any utilities in the event of any of them becoming unavailable for any reason.
- 6.3 Where the Grantor has paid such levies, rates or other charges the Concessionaire must on receipt of an invoice from the Grantor pay such sum to the Grantor within 14 days of receiving the invoice. If payment is not made within the 14 days then the Concessionaire is to pay interest on the unpaid sum from the date payment was due until the date of payment at the Penalty Interest Rate specified in Item 8 of Schedule 1.

**7. When can the Concession be assigned?**

- 7.1 The Concessionaire must not transfer, sublease, assign, mortgage or otherwise dispose of the Concessionaire's interest under this Concession or any part of it (which includes the Concessionaire entering into a contract or any other arrangement whatsoever whereby the Concession Activity would be carried out by a person (called the Assignee) other than the Concessionaire) without the prior written consent of the Grantor.

- (a) decline any application for consent; or
  - (b) grant consent subject to such conditions as the Grantor thinks fit.
- 7.3 Sections 17S to 17ZC of the Conservation Act 1987 apply to applications for consent under this clause unless the Grantor, in the Grantor's discretion, decides otherwise.
- 7.4 If the Grantor gives consent under this clause then the Concessionaire remains liable to observe and perform the terms and conditions of this Concession throughout the Term and is to procure from the Assignee a covenant to be bound by the terms and conditions of this Concession.
- 7.5 The Concessionaire must pay the costs reasonably incurred by the Grantor incidental to any application for consent, whether or not such consent is granted.
- 7.6 If the Concessionaire is not a publicly listed company any change in the shareholding of the Concessionaire altering the effective control of the Concessionaire is to be deemed to be an assignment and requires the consent of the Grantor.

11.1 The Concessionaire agrees to use the Easement Land at the Concessionaire's own risk and releases to the full extent permitted by law the Grantor (and the Grantor's employees, agents and contractors) from all claims and demands of any kind and from all liability which may arise in respect of any accident, damage or injury occurring to any person or property in or about the Easement Land.

11.2 The Concessionaire must indemnify the Grantor against all claims, actions, losses and expenses of any nature which the Grantor may suffer or incur or for which the Grantor may become liable arising from the Concessionaire's performance of the Concession Activity.

11.3 This indemnity is to continue after the expiry or termination of this Concession in respect of any acts or omissions occurring or arising before its expiry or termination.

11.4 The Concessionaire has no responsibility or liability for costs, loss, or damage of whatsoever nature arising from any act or omission or lack of performance or any negligent or fraudulent act or omission by the Grantor, or any contractor or supplier to the Grantor, or any employee or agent of the Grantor.

- 13.4 A breach or contravention by the Concessionaire of any Legislation affecting or relating to the Easement Land or affecting or relating to the Concession Activity is deemed to be a breach of this Concession.

**14. When can the Concession be terminated?**

14.1 If the Concessionaire breaches any of the conditions of this Concession the Grantor may terminate this Concession at any time in respect of the whole or any part of the Easement Land. Before so terminating the Grantor must give the Concessionaire either:

- (a) one calendar month's notice in writing; or
- (b) such other time period which in the sole opinion of the Grantor appears reasonable and necessary;

of the Grantor's intention so to terminate this Concession. If this Concession is terminated then the Grantor, at the Grantor's sole discretion, may adjust the Concession Fee payable or refund any Concession Fee paid in advance.

14.2 The Grantor may choose to remedy at any time any default by the Concessionaire under this Concession. Where that occurs, the Concessionaire must pay forthwith on demand all reasonable costs incurred by the Grantor in remedying such default. Before electing to so remedy in accordance with this clause the Grantor must, if practicable, first give the Concessionaire notice of the default and a reasonable opportunity to remedy the default.

**15. What happens on termination or expiry of the Concession?**

15.1 On expiry or termination of this Concession, either as to all or part of the Easement Land, the Concessionaire is not entitled to compensation for any structures or other improvements placed or carried out by the Concessionaire on the Easement Land.

15.2 The Concessionaire may, with the Grantor's written consent, remove any specified structures and other improvements on the Easement Land. Removal under this clause must occur within the time specified by the Grantor and the Concessionaire is to make good any damage and leave the Easement Land and other public conservation land affected by the removal in a clean and tidy condition.

15.3 The Concessionaire must, if the Grantor gives written notice, remove any specified structures and other improvements on the Easement Land. If a new concession is granted then removal and reinstatement cannot be required until the expiry or termination of the new concession.

Any such consent or approval may be made on such conditions as the Grantor considers

appropriate.

**17. Are there limitations on public access and closure?**

17.1 The Concessionaire acknowledges that the Easement Land is open to the public for access and that the Grantor may close public access during periods of high fire hazard or for reasons of public safety or emergency.

**18. What about other concessions?**

18.1 Nothing expressed or implied in this Concession is to be construed as preventing the Grantor from granting other concessions, whether similar or not, to other persons provided that the Grantor must not grant another concession that would derogate in any material way from the Concessionaire's ability to carry out the Concession Activity.

**19. How will disputes be resolved?**

19.1 If a dispute arises between the parties in connection with this Concession the parties must, without prejudice to any other rights or entitlements they may have, attempt to resolve the dispute by agreement using informal dispute resolution techniques such as negotiation, mediation, independent expert appraisal or any other alternative dispute resolution technique. The rules governing any such technique adopted are to be agreed between the parties.

19.2 If the dispute cannot be resolved by agreement within 14 days of written notice by one party to the other (or such further period as the parties may agree to in writing) either party may refer the dispute to the Disputes Tribunal, where relevant, or to arbitration, which arbitration is to be carried out in accordance with the provisions of the Arbitration Act 1996.

19.3 If the parties do not agree on an arbitrator within 10 working days of a party giving written notice of the requirement to appoint an arbitrator the President of the New Zealand Law Society is to appoint the arbitrator. In either case the arbitrator must not be a person who has participated in an informal dispute resolution procedure in respect of the dispute.

19.4 The arbitrator must include in the arbitration award reasons for the determination.

19.5 Despite the existence of a dispute, each party must continue to perform its obligations under this Concession.

**20. How are notices sent and when are they received?**

20.1 Any notice to be given under this Concession is to be in writing and made by personal delivery, by pre-paid post or email to the receiving party at the address, or email address specified in Item 11 of Schedule 1. Any such notice is to be deemed to have been received:

- (a) in the case of personal delivery, on the date of delivery;
- (b) in the case of post, on the 3<sup>rd</sup> working day after posting;
- (c) in the case of email,
  - (i) if sent between the hours of 9am and 5pm on a working day, at the time of transmission; or

- (ii) if subclause (i) does not apply, at 9am on the working day most immediately after the time of sending.

Provided that an email is not deemed received unless (if receipt is disputed) the party giving notice produces a printed copy of the email which evidences that the email was sent to the email address of the party given notice.

- 20.2 If either party's details specified in Item 11 of Schedule 1 change then the party whose details change must within 5 working days of such change provide the other party with the changed details.

**21. What about the payment of costs?**

- 21.1 The Concessionaire must pay the Grantor's legal costs and expenses of and incidental to preparing and signing this Concession or any extension or variation of it.

- 21.2 The Concessionaire must pay in full immediately and on demand all costs and fees (including solicitor's costs and fees of debt collecting agencies engaged by the Grantor) arising out of and associated with steps taken by the Grantor to enforce or attempt to enforce the Grantor's rights and powers under this Concession including the right to recover outstanding money owed to the Grantor.

**22. What about the powers implied by statute?**

- 22.1 The rights and powers implied in the relevant easements by Schedule 5 to the Land Transfer Regulations 2018 (as set out in Schedule 5 of this Concession) apply to this Concession **EXCEPT** to the extent set out in Schedule 3 of this Concession.
- 22.2 The rights and powers implied by Schedule 5 to the Property Law Act 2007 do not apply to this Concession.

**23. What about Co-Siting?**

- 23.1 In this clause "Co-Site" means the use of the Concessionaire's structures or facilities on the Easement Land by a third party for an activity; and "Co-Sitee" and "Co-Siting" have corresponding meanings.
- 23.2 The Concessionaire must not allow Co-Siting on the Easement Land without the prior written consent of the Grantor.
- 23.3 The Grantor's consent must not be unreasonably withheld but is at the Grantor's sole discretion and subject to such reasonable terms and conditions as the Grantor thinks fit including a requirement that the Co-Sitee be liable for direct payment to the Grantor of a concession fee and any environmental premium assessed in respect of the Co-Sitee's activity on the Easement Land.
- 23.4 In addition, the Grantor must withhold consent if:
  - (a) the Co-Siting would result in a substantial change to the Concession Activity on the Easement Land; or
  - (b) the Grantor considers the change to be detrimental to the environment of the Easement Land.
- 23.5 Subject to clause 23.4 the Concessionaire must, if required by the Grantor,

allow Co-Siting on the Easement Land.

- 23.6 Where the Concessionaire maintains that Co-Siting by a third party on the Easement Land would:
- (a) detrimentally interfere physically or technically with the use by the Concessionaire of the Easement Land; or
  - (b) materially prejudice any resource consents obtained by the Concessionaire or cause more onerous conditions to be imposed on it by the relevant authority; or
  - (c) obstruct or impair the Concessionaire's ability effectively to operate from the Easement Land; or
  - (d) interfere with or prevent future forecast works of the Concessionaire,
- the Grantor, must, as a pre-condition to consideration of an application to grant a concession to a third party, require that third party to obtain, at its own cost, a report prepared by an independent consultant acceptable to the Grantor confirming or rejecting the presence of the matters specified in this clause 23.6. The Grantor must not grant a concession to a third party where the report confirms that the proposed concession would give rise to one or more of the matters specified in this clause 23.6.
- 23.7 If the independent consultant report rejects the Concessionaire's concerns, the Concessionaire may dispute this in accordance with the procedure set out in clause 19 of this Schedule 2.
- 23.8 Where the Concessionaire is required under clause 23.5 to allow Co-Siting on the Easement Land, the Concessionaire is, subject to clause 23.10 entitled to enter into commercial agreements with third parties for them to conduct an activity on the Easement Land and to receive a reasonable fee from them for any agreed activity they intend to carry out on the Easement Land. If a dispute arises between the Concessionaire and a third party such dispute must be determined by the Grantor having regard to, but not limited to, the following matters:
- (a) any written comments or submissions of the Concessionaire and third party;
  - (b) market value for the concession activity proposed by the third party having regard to the matters specified in Section 17Y(2) of the Conservation Act 1987;
  - (c) any other matters the Grantor considers relevant.
- 23.9 If the Concessionaire does not accept the Grantor's determination, the Concessionaire may dispute this in accordance with the procedure set out in clause 19 of this Schedule 2.
- 23.10 For the avoidance of doubt, a Co-Sitee permitted on the Easement Land must enter into a separate concession with the Grantor in terms of which the Co-Sitee may be required to pay to the Grantor a concession fee and environmental premium assessed in respect of the Co-Sitee's activity on the Easement Land. This separate concession must not contain provisions that conflict with the Concessionaire's rights and obligations in relation to the Easement Land.
