

# **Tasman Resource Management Plan - Change 67**

**Notified : Saturday, 14 July 2018**

## **Summary of Decisions Requested In Change 67**

**In Submitter Name Order**

## Summary of Decisions Requested In Change 67 Submissions

**Garnett, Colin J**

658 Moutere Highway Redwoods Valley RICHMOND

1223

- **C67.1223.1 C67 GEN - Change 67**  
Remedy: Delete all amended datestamps in the policies and rules.
- **C67.1223.2 30.2.3.12 - Applications to take water in the Waimea Plains water management zones**  
Remedy: Delete amendments to datestamps in (B)(a) and B(b).
- **C67.1223.3 30.2.3.13 - Priority for Taking Water**  
Remedy: Delete amendments to datestamps.
- **C67.1223.4 C67 GEN - Change 67**  
Remedy: Correct inconsistency of reference of these zones in Waimea Plains zones affected by Dam scenarios.
- **C67.1223.5 30.2.3.13 - Priority for Taking Water**  
Remedy: Delete amendments to clause (b) or provide a 10 or 15 year earlier date for connections to Redwood valley CWS.

<b>Further Submissions :</b>	<u>Oppose</u>	FC67.2802.1	Tasman District Council - Engineering Services Manager
------------------------------	---------------	-------------	--

- **C67.1223.6 30.2.30 - Principal Reasons and Explanation**  
Remedy: Delete amendments.

<b>Further Submissions :</b>	<u>Oppose</u>	FC67.2802.2	Tasman District Council - Engineering Services Manager
------------------------------	---------------	-------------	--

- **C67.1223.7 31.1.2.2 - Controlled Activities (Take, Diversion or Use from Fresh/Coastal Water subject to Permit)**  
Remedy: Delete reference to Golden Hills with WCD Zone in Figure 31.1C.
- **C67.1223.8 Sch. 31C - Triggers for Rationing and Minimum Flows**  
Remedy: Add to Table 1B Waititi, Waititi Dam Service and Redwood zones.
- **C67.1223.9 Sch. 31C - Triggers for Rationing and Minimum Flows**  
Remedy: Clarify in Table 1B note (2) whether the reference to unmodified flows at Irvines includes the modifications from Roding dam discharges and show how this is calculated or delete.
- **C67.1223.10 Sch. 31C - Triggers for Rationing and Minimum Flows**  
Remedy: Delete reference to Golden Hills with Dam Zone in Table 1B and retain reference to Golden Hills Zone.
- **C67.1223.11 Sch. 31C - Triggers for Rationing and Minimum Flows**  
Remedy: Delete reference to Golden Hills with Dam Zone in Table 1C and retain reference to Golden Hills Zone, and in note (3) clarify whether the reference to unmodified flows at Irvines includes the modifications from Roding dam discharges and show how this is calculated or delete
- **C67.1223.12 Sch. 31C - Triggers for Rationing and Minimum Flows**  
Remedy: Delete reference to Golden Hills with Dam Zone in Table 1D and retain reference to Golden Hills Zone, and clarify in the note whether the reference to unmodified flows at Irvines includes the modifications from Roding dam discharges and show how this is calculated or delete
- **C67.1223.13 Sch. 31A - Duration of Resource Consents**  
Remedy: Amend date to other than 31 November 2039 or delete.
- **C67.1223.14 31.1.2.5 Fig. 31.1FA - Restricted Discretionary Activities (Take/Diversion/Use from Fresh/Coastal/Stored Water)**  
Remedy: Reconcile different values in Table 1 for amended allocation targets for Golden Hills with WCD zone (67; 65) and Redwood with WCD zone (13; 14) in different online versions of the Change, and clarify why the table does not include the Waititi zones.
- **C67.1223.15 31.1.2.5 Fig. 31.1FA - Restricted Discretionary Activities (Take/Diversion/Use from Fresh/Coastal/Stored Water)**  
Remedy: Retain Redwood zone in Table 2 and clarify the basis for the Appleby Gravel Zone limit value
- **C67.1223.16 31.1.2.5 Fig. 31.1FA - Restricted Discretionary Activities (Take/Diversion/Use from Fresh/Coastal/Stored Water)**  
Remedy: Clarify the reasoning in Table 2 for subtracting from the limit value for the Appleby Gravel Zone, any permit allocations granted in the Upper Catchments Zone or delete the note
- **C67.1223.17 Map 232 - Waimea Deep Moutere Aquifer**  
Remedy: Clarify the reason for this map as part of the change or delete it.

## Summary of Decisions Requested In Change 67 Submissions

### Garnett, Colin J

- **C67.1223.18** *Map 232A - Waimea WMZ - No Dam Enlargement*  
*Remedy:* Clarify why this map does not show the Wai-iti Zone west of the Wai-iti Dam Service Zone or delete it.
- **C67.1223.19** *Map 232B - Waimea WMZ - With Dam Not Affiliated Enlargement*  
*Remedy:* Clarify why this map shows the Redwood with WCD extending over part of the Golden Hills zone.
- **C67.1223.20** *Map 232B - Waimea WMZ - With Dam Not Affiliated Enlargement*  
*Remedy:* Retain the current Golden hills zone extent on this map or delete the map.
- **C67.1223.21** *Map 232C - Waimea WMZ - With Dam Affiliated Enlargement*  
*Remedy:* Clarify why the two Wai-iti zones are not showing on the map or delete the map.
- **C67.1223.22** *Maps 236 & 236A - Soil Series in Irrigation Rate Classes*  
*Remedy:* Clarify why there is no legend for the maps or delete the maps.
- **C67.1223.23** *31.1.2.3A - Controlled Activities (Take, Diversion or Use if there is a Waimea Community Dam)*  
*Remedy:* Clarify why this matter is part of the change or delete.
- **C67.1223.24** *Sch. 31C - Triggers for Rationing and Minimum Flows*  
*Remedy:* Clarify why references to rules are provided in the Schedule or delete.

### Riley, Trevor H

1882 State Highway 60 R D 2 TAKAKA

- **C67.2852.1** *C67 GEN - Change 67*  
*Remedy:* The change has no legal effect [no decision requested].

2852

### Tasman District Council - Engineering Services Manager

C/o Dwayne Fletcher, Activity Planning Manager Private Bag 4 RICHMOND

- **C67.2802.1** *30.2.3.13 - Priority for Taking Water*  
*Remedy:* Retain amendments in clause (b) but insert additional subclauses concerning servicing land that has a resource consent requiring community water supply and commenced before 14 July 2018, and that has special housing area status granted before 14 July 2018.
