

# REDUCE WATER USE ON SUNDAY 7 JULY 2019

Network Tasman are planning a large-scale power outage in Golden Bay. From 9.00 am to 4.00 pm, many of our wastewater pump stations will not have power.

To help us prevent wastewater overflows during this time, please keep your indoor water use to a minimum. Any water that runs down the drain in your home or business ends up in the wastewater system.

## We're asking you to:

Hold off on showers or baths until power returns

Save your load of washing

Turn dishwashers off

Only flush the toilet if absolutely necessary

## Find out more

If you have any questions or concerns, please contact the Golden Bay Council service centre on 525 0020. More information about Network Tasman's planned maintenance can be found online at [networktasman.co.nz/temporary-power-interruption-golden-bay](http://networktasman.co.nz/temporary-power-interruption-golden-bay).

Larger maps of the key areas we're asking to reduce water use can be found at [tasman.govt.nz/link/news](http://tasman.govt.nz/link/news).

## It is particularly important for residents in the following areas to reduce their water use:

- Collingwood
- Tata Beach
- 162 – 190 Abel Tasman Drive
- Labyrinth Lane and 117 Abel Tasman Drive
- Rototai Road
- Arapeta Place and Toiora Close
- Boundary Road and Wadsworth Street

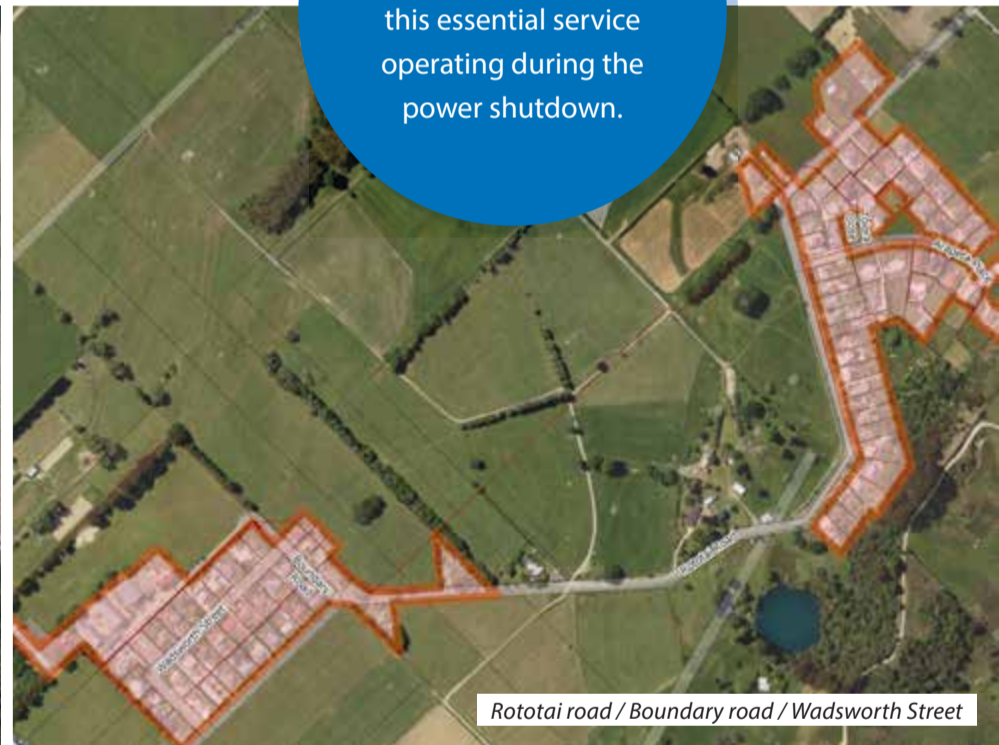

We will use generators to operate critical pump stations, while flows at the smaller pump stations will be managed using septic tanker trucks.

## THANK YOU

for helping us keep this essential service operating during the power shutdown.
