

Summary of Submissions by Name & Topic for Plan Change No. 78 St. Arnaud

Submitter No:	Submission Point No:	Submitter Name ¹	Plan Topic Number ²	Relief Sought ³
1445	78.0-1	Department of Conservation	General	Support. The plan change is consistent with the intended future development and use of the site. The site is an amalgamation of land returned to iwi under the treaty settlement and conservation area acquired through a land exchange with the Department of Conservation.
4213	78.0-2	Ngāti Apa ki te Rā Tō Charitable Trust	General	Support.
4206	78.0-3	Waka Kotahi NZ Transport Agency	General	Support. Waka Kotahi supports enabling Papakāinga development to provide for the aspirations of tangata whenua in a manner consistent with tikanga and for a range of traditional, spiritual, and cultural activities. They also support alignment with the Nelson Tasman Future Development Strategy.

1 Optional

2 Full topic i.e. including lowest levels, e.g. "16.5.3 (e)(iv)" or "16.3.5 Fig. 16.3C"

3 Use specific tense, e.g. "Retain change" rather than "Support change"
