## GUIDE TO SHARING THE PATHWAYS

The pathways are generally open to both walking and cycling. Surfaces range from concrete/tarmac/gravel to grass. Cyclists please respect those areas where cycling is not allowed and walk your bike on those sections. Apply road rules – keep to the left.

Early settler George Snow is credited with having bestowed the name Richmond in 1845 after the town of that name on the Thames.

Richmond has many pathways that create shortcuts to your destination. This map shows the pathway connections in urban Richmond.
